Memorandum

Date: December 1, 2015

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Resolution Authorizing the Acquisition of Approximately 20 Acres of Vacant Land in the Amount of \$1,150,000 Located Between N.W. 2 and S.W. 2 Streets, on the East Side of Unpaved NW 147 Avenue in Connection with the County's Ocean Outfall Compliance Plan

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the attached resolution which authorizes the execution of a Contract for Sale and Purchase between Miami-Dade County (Buyer) and Crabtree Investments LLC (Seller) for \$1,150,000. More specifically, the resolution does the following:

- 1). Authorizes the acquisition of property (Folio Nos. 30-4903-003-0210 and 30-4903-003-0220) including approximately 20 acres of vacant land located between N.W. 2 and S.W. 2 Streets, on the East side of unpaved NW 147 Avenue in unincorporated Miami-Dade County, Florida.
- 2) Authorizes the County Mayor or the County Mayor's designee to execute the Contract for Sale and Purchase (Attachment A to the resolution) in the amount of \$1,150,000.

This is a willing buyer/willing seller Contract for Sale and Purchase placed before the Board for approval to be utilized in connection with Miami-Dade County's Ocean Outfall Legislation Compliance Program.

Scope

The impact of the acquisition is countywide in nature. This acquisition is located in Commission District 12, which is represented by Commissioner Jose "Pepe" Diaz.

Fiscal Impact/Funding Source

The subject property was appraised by a state-certified appraiser hired by the County, who appraised the property at \$1,150,000.

The funding sources for this purchase are Wastewater Connection Charges, Water and Sewer Department (WASD) Revenue Bonds Sold, and Future Revenue Bonds. The project number is 962670: Ocean Outfall Legislation, and the Adopted Budget Book page number is 118.

Track Record / Monitor

WASD's Legislative and Municipal Affairs Assistant Director, Zaba S. Castro, will oversee this acquisition.

Delegation of Authority

The County Mayor or the County Mayor's designee is authorized to execute the attached Contract for Sale and Purchase and to exercise any and all other rights conferred therein.

Background

The County uses two (2) ocean outfalls to dispose of wastewater effluent, one (1) at the Central District Wastewater Treatment Plant and one (1) at the North District Wastewater Treatment Plant. In 2008, the Florida Legislature approved and the Governor signed into law, the requirement that all wastewater utilities in southeast Florida utilizing ocean outfalls for disposal of treated wastewater 1) reduce nutrient discharges by 2018, 2) cease using the ocean outfalls by 2025, and 3) reuse 60 percent of wastewater flows by 2025. The statute also required affected utilities to submit to the Florida Department of Environmental Protection a preliminary ocean outfall compliance plan by July 1, 2013.

WASD's Ocean Outfall Legislation Compliance Plan (Compliance Plan) was completed and sent to the Florida Department of Environmental Protection on June 28, 2013. The subject property will be utilized in connection with the County's compliance with such plan in order to handle some of the wastewater flows currently going to the coastal plants, the North and Central District Wastewater Treatment Plants, and flows related to growth projected by 2035. The North and Central District Wastewater Treatment Plants are most at risk to storm surge and to sea level rise, so reducing average daily flows to these plants will reduce the vulnerability of the wastewater system.

The subject property includes two (2) parcels consisting of approximately 20 acres of vacant land owned by Crabtree Investments LLC, to be utilized in connection with the Compliance Plan. The recommended purchase by the County is a willing buyer/willing seller transaction, and the subject site is not being acquired under threat of condemnation.

The Contract for Sale and Purchase attached to the resolution is for the purchase of the subject property and is recommended as being in the County's best interests.
